

ABILENE ENVIRONMENTAL LANDFILL INC.
3/10 MILE EAST OF N.277 & FM 3034 INTERSECTION
PHONE #: 325-437-3093
FAX #: 325-437-3098

Dear Customer,

This letter and the information enclosed is our way of introducing to you that a new landfill just 1 mile north of Abilene TX on FM 3034 has been approved and permitted by the Texas Commission of Environmental Quality.

Abilene Environmental Landfill Inc. is owned and operated by Abilene businessmen, and we welcome your business and look forward to serving your waste disposal needs in a manner you appreciate.

Abilene Environmental Landfill is staffed with highly trained personnel that has combined solid waste industry experience of over 64 years. Mr. Roy Knowles is our General Manager and maintains a Class A MSW license.

Abilene Environmental Landfill is permitted to provide disposal of, Municipal solid waste, Construction & Demolition waste, Non-hazardous Industrial Class 1 & 2 & 3, Rail Road Commission waste. We also have liquid solidification and disposal services. We also can provide transportation services for bulk solid or liquid waste needs.

Abilene Environmental Landfill is situated in a location where there is no ground water. The facility is constructed with a 3 foot of clay liner that exceeds 10⁻⁷ permeability and a 60 mil. HDPE Geosynthetic Liner over layed with a leachate collection system. It will be monitored by 15 monitor wells that ring the site and are tested semi-annually.

We invite you to call us and discuss your waste disposal needs and/or come by for a tour of our disposal facility. We hope to impress you with our qualified staff and environmentally sound facility.

Sincerely Yours

Roy Knowles
President
